## 2 ABSTRACT

3 For full guidelines regarding your manuscript please refer to Author Guidelines.

4 As a primary goal, the abstract should render the general significance and conceptual advance  
5 of the work clearly accessible to a broad readership. References should not be cited in the  
6 abstract. Leave the Abstract empty if your article does not require one, please see the Article  
7 Types on every Frontiers journal page for full details

8 **Keywords:** keyword, keyword, keyword, keyword, keyword, keyword, keyword, keyword

## 1 INTRODUCTION

9 For Original Research Articles (Name et al., 1996), Clinical Trial Articles (LastName1 et al., 2013), and  
10 Technology Reports (Surname1, 2010), the introduction should be succinct, with no subheadings (Name,  
11 1993). For Case Reports the Introduction should include symptoms at presentation (Surname, 2002),  
12 physical exams and lab results (LastName1 et al., 2011).

## 2 ARTICLE TYPES

13 For requirements for a specific article type please refer to the Article Types on any Frontiers journal page.  
14 Please also refer to Author Guidelines for further information on how to organize your manuscript in the  
15 required sections or their equivalents for your field

### 3 MANUSCRIPT FORMATTING

#### 3.1 Heading Levels

#### 3.2 Level 2

##### 3.2.1 Level 3

##### 3.2.1.1 Level 4

##### 3.2.1.1.1 Level 5

#### 3.3 Equations

Equations should be inserted in editable format from the equation editor.

$$\sum x + y = Z \quad (1)$$

#### 3.4 Figures

Frontiers requires figures to be submitted individually, in the same order as they are referred to in the manuscript. Figures will then be automatically embedded at the bottom of the submitted manuscript. Kindly ensure that each table and figure is mentioned in the text and in numerical order. Figures must be of sufficient resolution for publication. Figures which are not according to the guidelines will cause substantial delay during the production process. Please see here for full figure guidelines. Cite figures with subfigures as figure 2a and 2b.

##### 3.4.1 Permission to Reuse and Copyright

Figures, tables, and images will be published under a Creative Commons CC-BY licence and permission must be obtained for use of copyrighted material from other sources (including re-published/adapted/modified/partial figures and images from the internet). It is the responsibility of the authors to acquire the licenses, to follow any citation instructions requested by third-party rights holders, and cover any supplementary charges.

#### 3.5 Tables

Tables should be inserted at the end of the manuscript. Please build your table directly in LaTeX. Tables provided as jpeg/tiff files will not be accepted. Please note that very large tables (covering several pages) cannot be included in the final PDF for reasons of space. These tables will be published as Supplementary Material on the online article page at the time of acceptance. The author will be notified during the typesetting of the final article if this is the case.

### 4 NOMENCLATURE

#### 4.1 Resource Identification Initiative

To take part in the Resource Identification Initiative, please use the corresponding catalog number and RRID in your current manuscript. For more information about the project and for steps on how to search for an RRID, please click here.

## 46 **4.2 Life Science Identifiers**

47 Life Science Identifiers (LSIDs) for ZOOBANK registered names or nomenclatural acts should be listed  
48 in the manuscript before the keywords. For more information on LSIDs please see the Nomenclature  
49 section of the guidelines.

## **5 ADDITIONAL REQUIREMENTS**

50 For additional requirements for specific article types and further information please refer to the individual  
51 Frontiers journal pages

## **CONFLICT OF INTEREST STATEMENT**

52 The authors declare that the research was conducted in the absence of any commercial or financial  
53 relationships that could be construed as a potential conflict of interest.

## **AUTHOR CONTRIBUTIONS**

54 The Author Contributions section is mandatory for all articles, including articles by sole authors. If an  
55 appropriate statement is not provided on submission, a standard one will be inserted during the production  
56 process. The Author Contributions statement must describe the contributions of individual authors referred  
57 to by their initials and, in doing so, all authors agree to be accountable for the content of the work. Please  
58 see here for full authorship criteria.

## **FUNDING**

59 Details of all funding sources should be provided, including grant numbers if applicable. Please ensure to  
60 add all necessary funding information, as after publication this is no longer possible.

## **ACKNOWLEDGMENTS**

61 This is a short text to acknowledge the contributions of specific colleagues, institutions, or agencies that  
62 aided the efforts of the authors.

## **SUPPLEMENTAL DATA**

63 Supplementary Material should be uploaded separately on submission, if there are Supplementary Figures,  
64 please include the caption in the same file as the figure. LaTeX Supplementary Material templates can be  
65 found in the Frontiers LaTeX folder.

## **DATA AVAILABILITY STATEMENT**

66 The datasets [GENERATED/ANALYZED] for this study can be found in the [NAME OF REPOSITORY]  
67 [LINK].
